

[List of Automotive Top Safety Picks for 2019](#)

To be considered a Top Safety Pick by the Insurance Institute for Highway Safety (IIHS), a vehicle must earn good ratings in the driver-side small overlap front, moderate overlap front, side, roof strength and head restraint tests, as well as an acceptable or good rating in the passenger-side small overlap front test. It also must earn an advanced or superior rating for front crash prevention and an acceptable or good headlight rating.
